

La Résistance est attaquée !

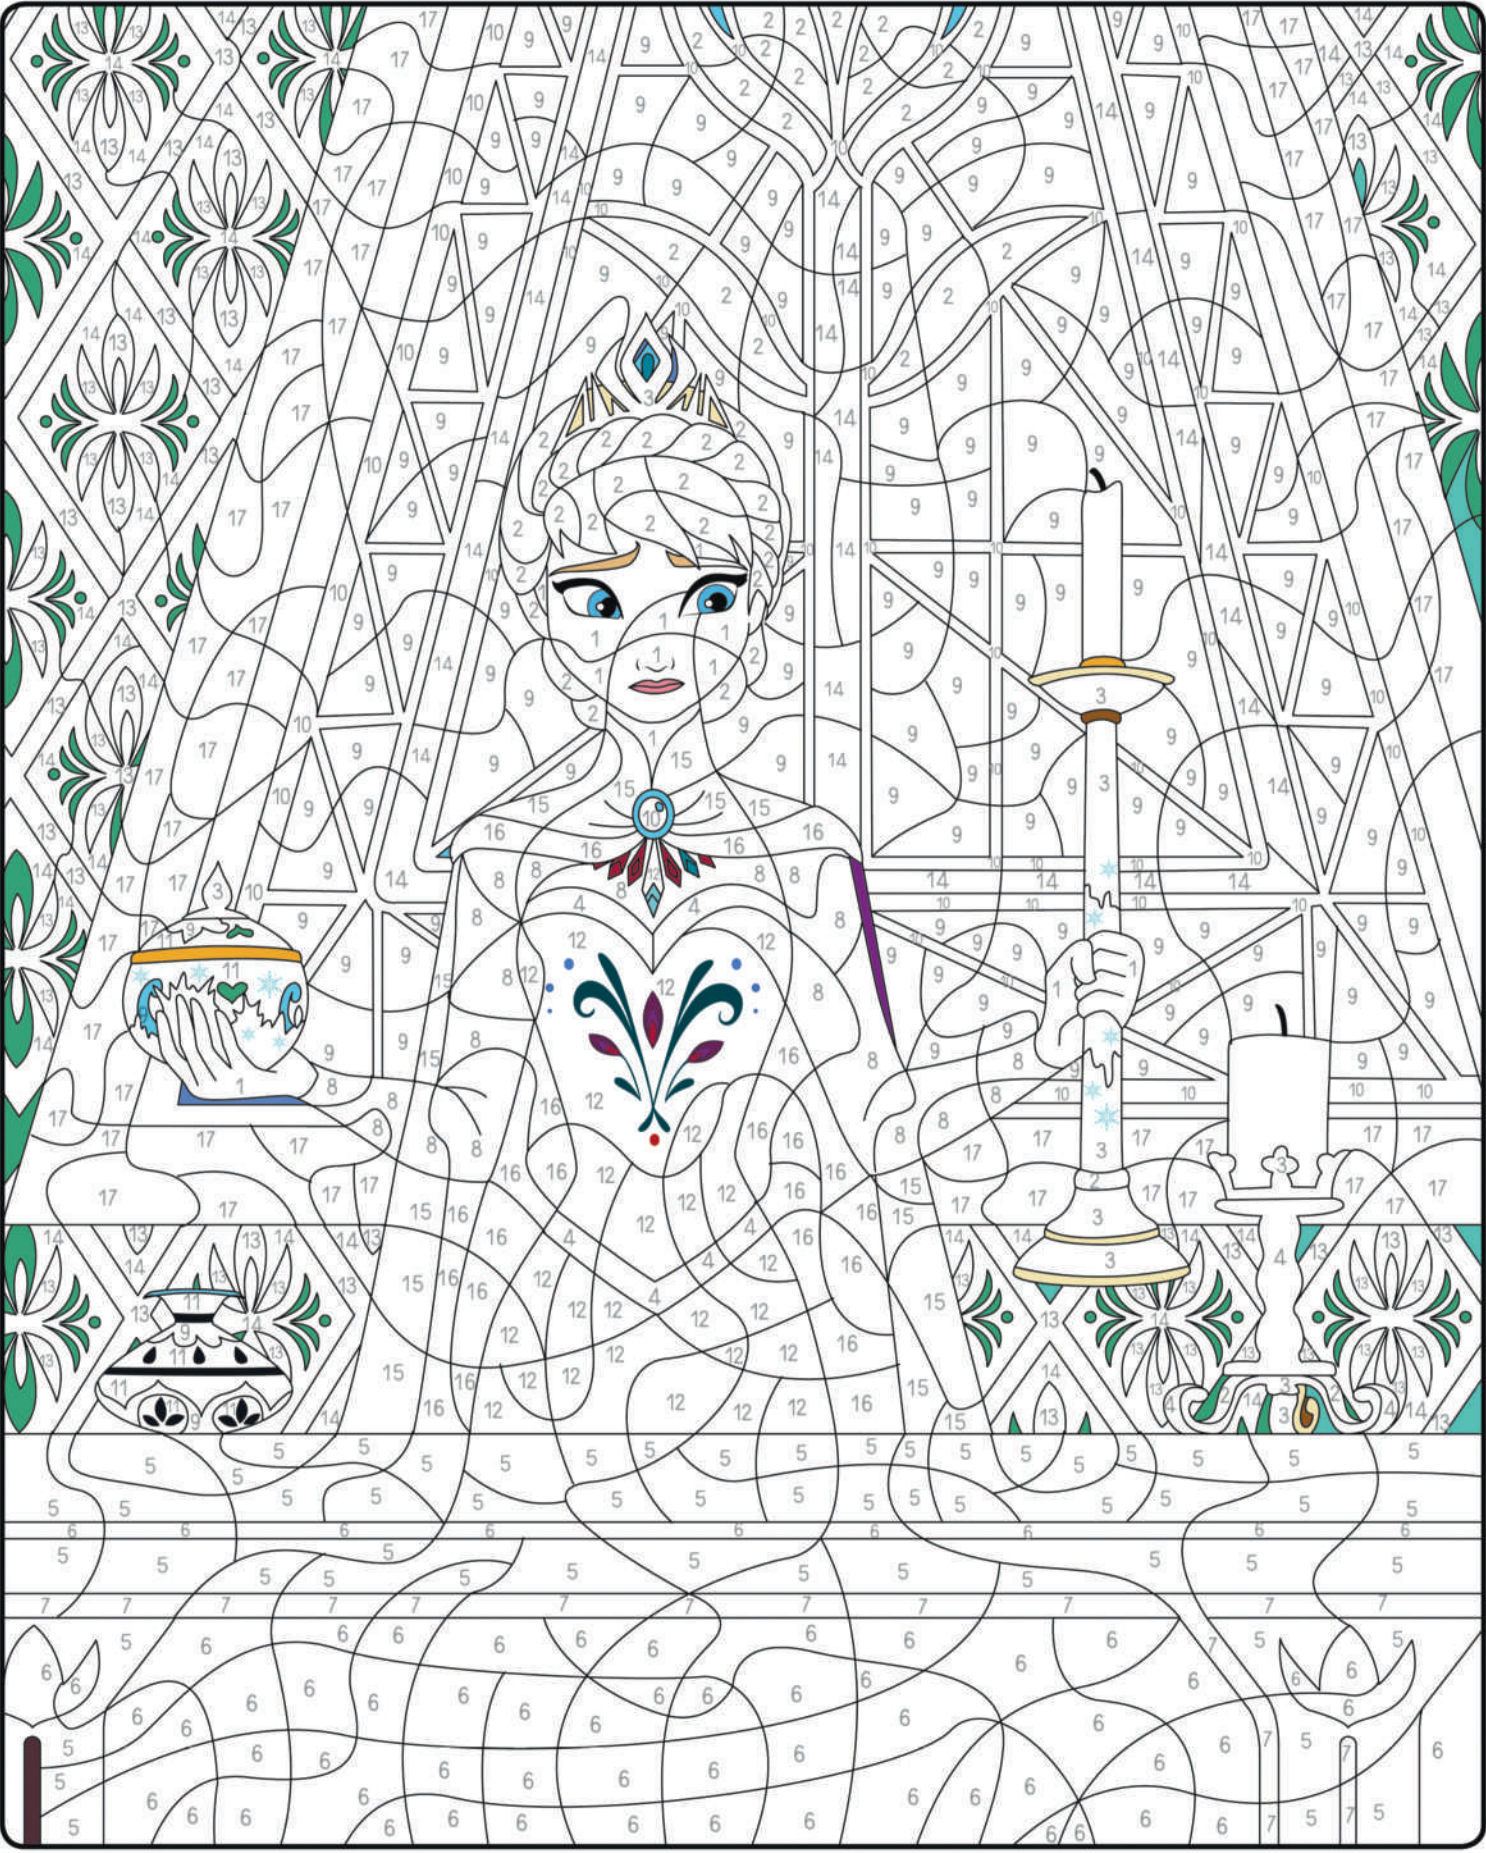

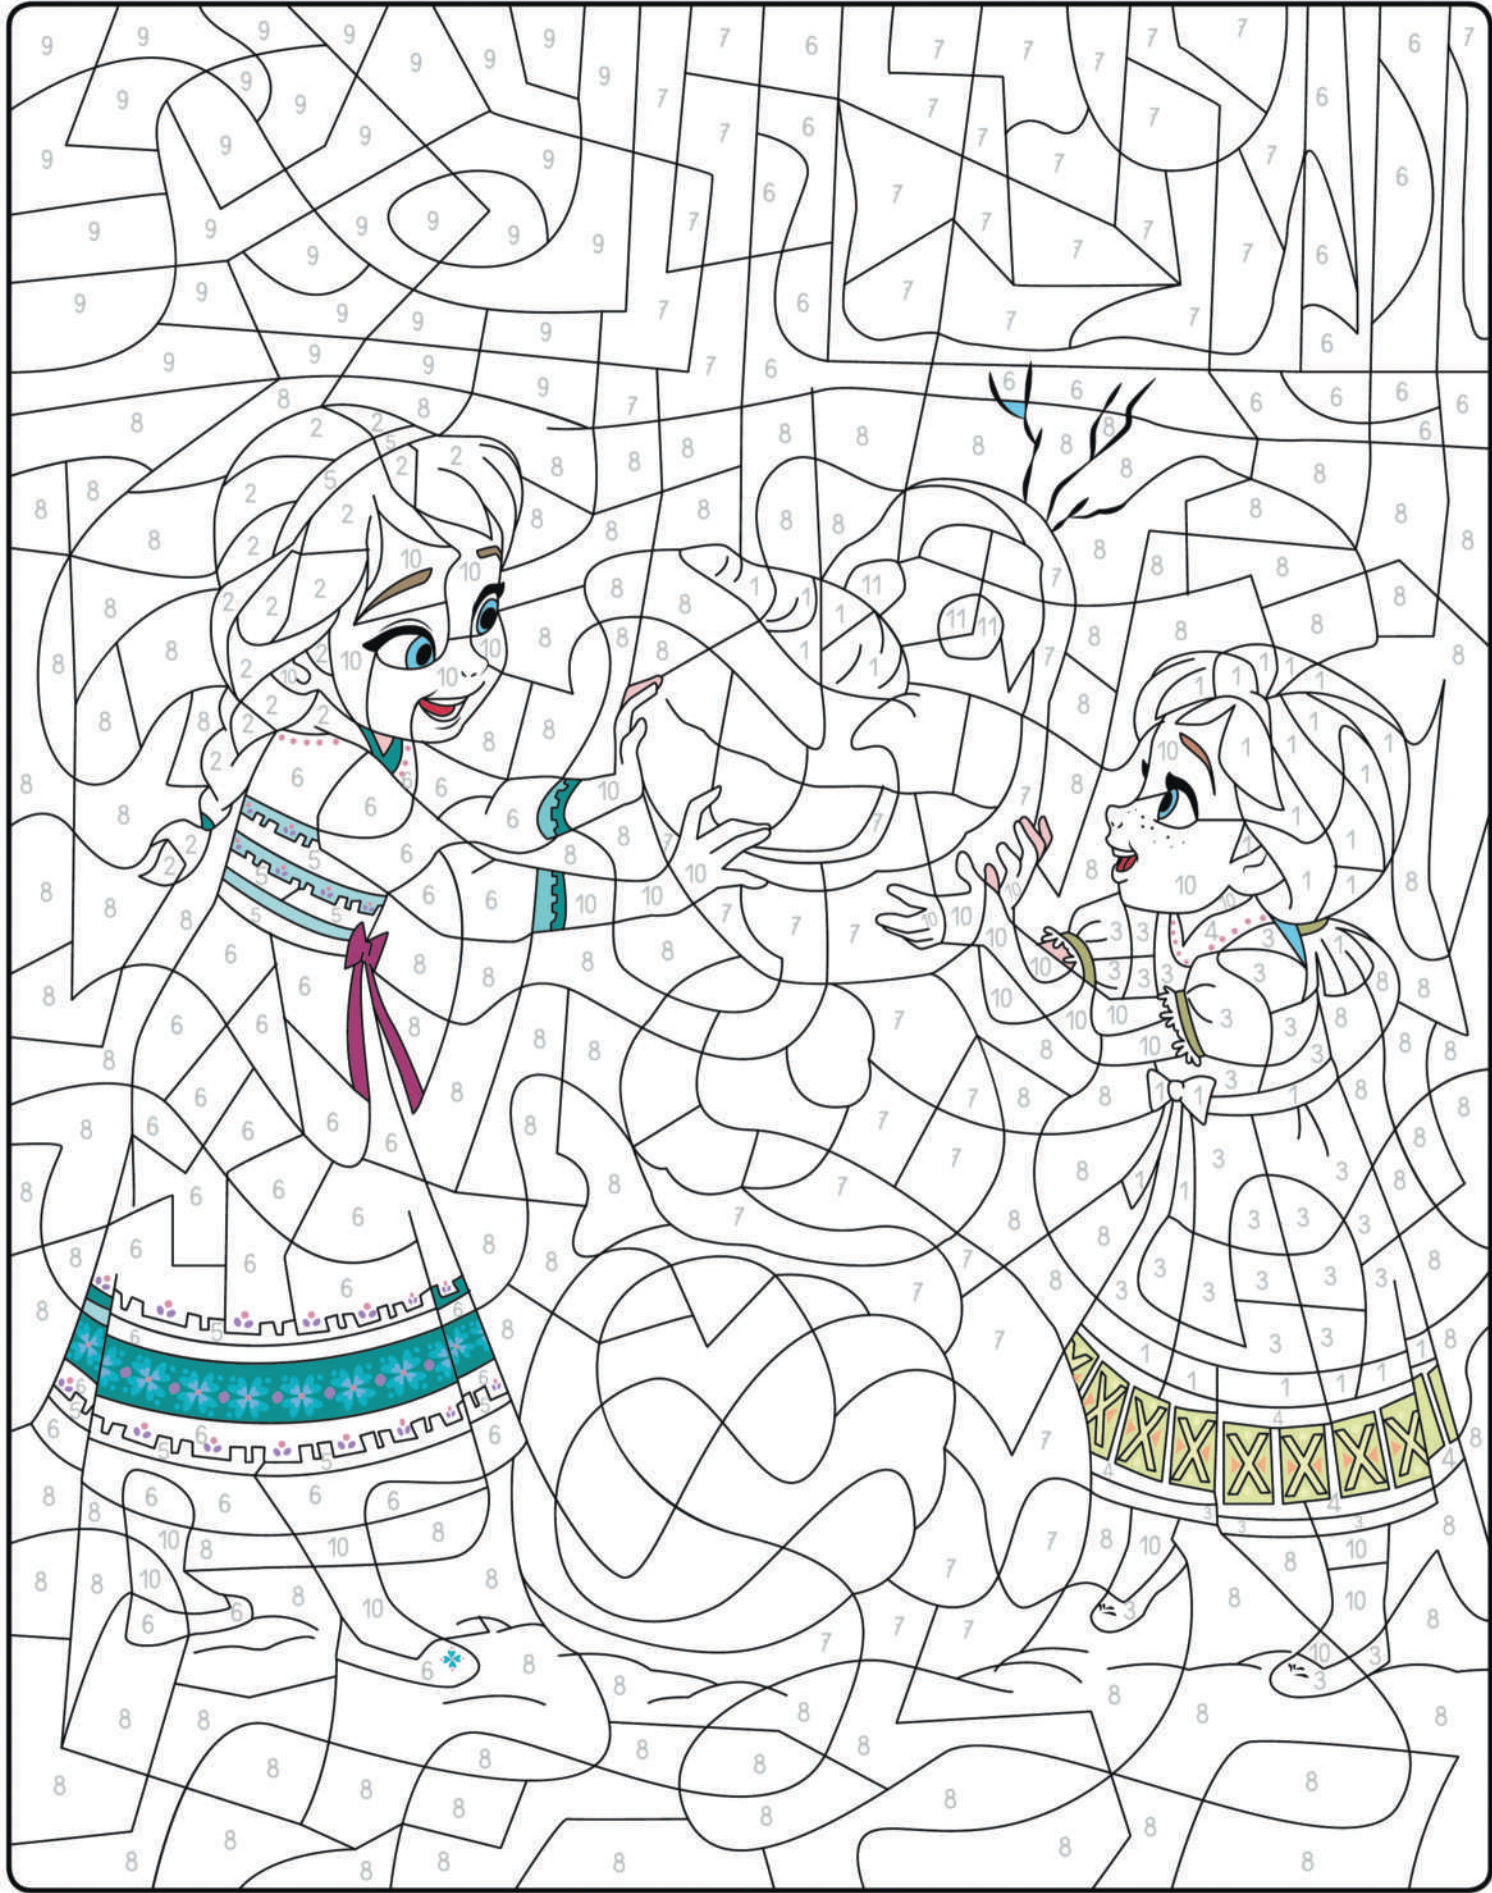

Les destroyers et les chasseurs
TIE du Premier Ordre combattent
contre les X-wings, les A-wings
et les bombardiers de la Résistance.

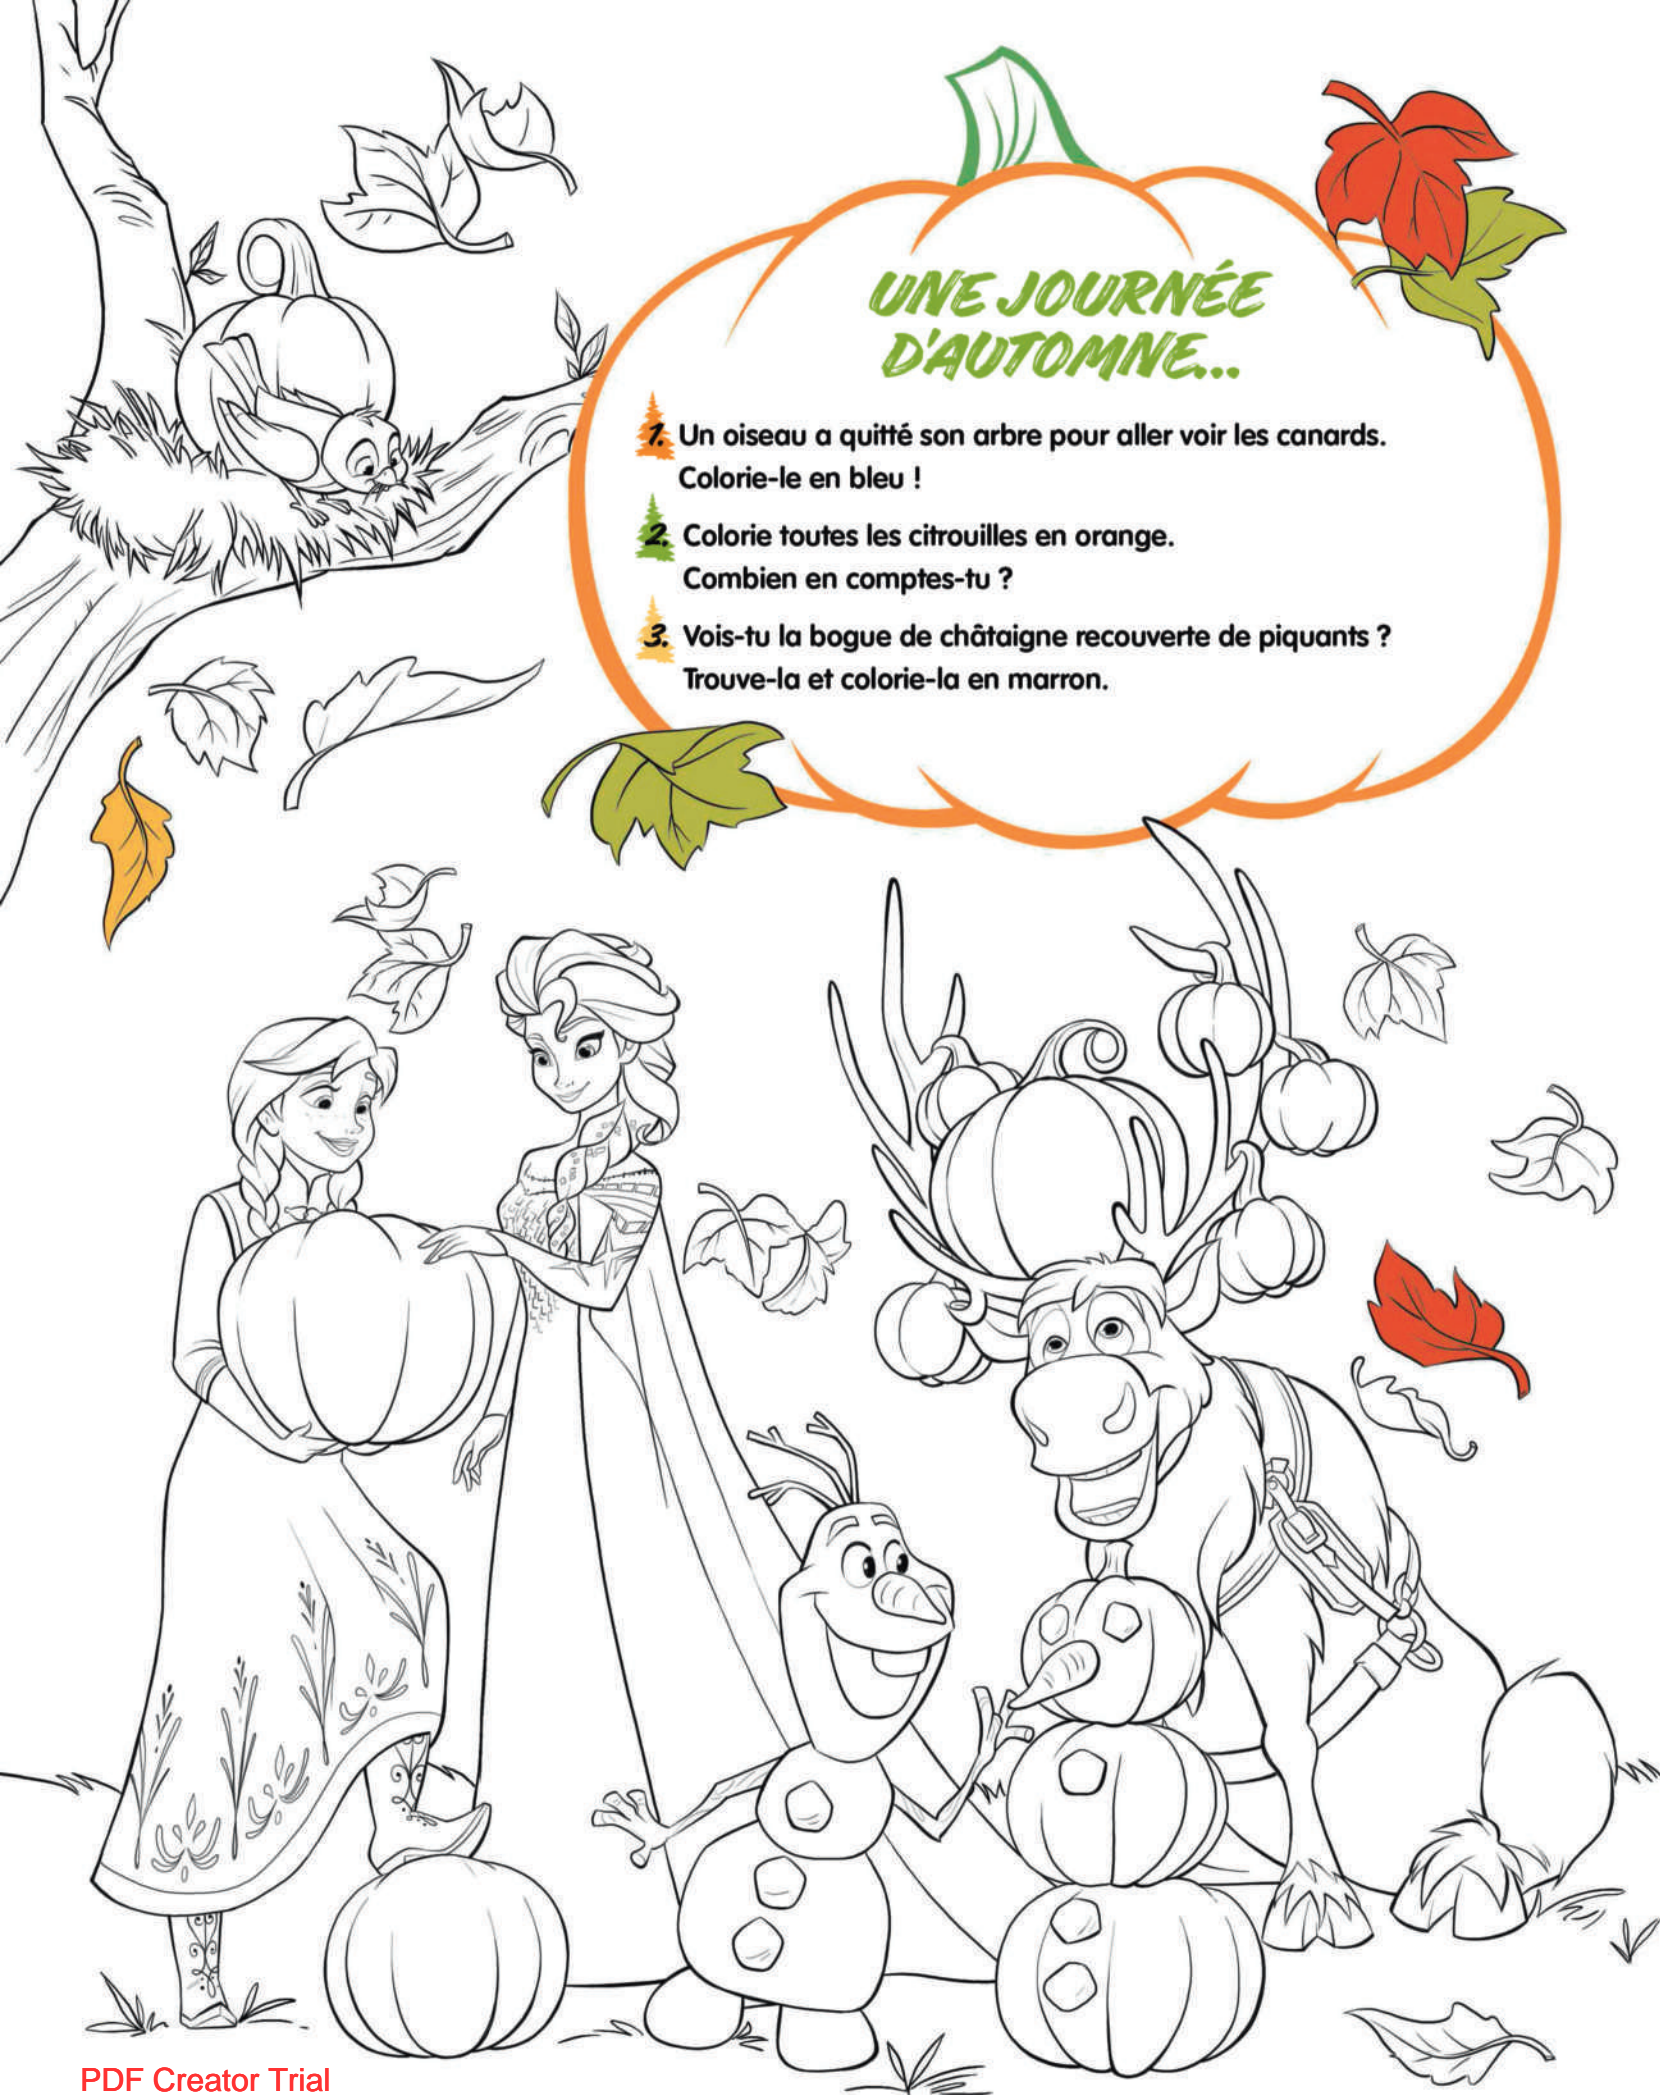

UNE JOURNÉE D'AUTOMNE...

1. Un oiseau a quitté son arbre pour aller voir les canards.
Colorie-le en bleu !
2. Colorie toutes les citrouilles en orange.
Combien en comptes-tu ?
3. Vois-tu la bogue de châtaigne recouverte de piquants ?
Trouve-la et colorie-la en marron.

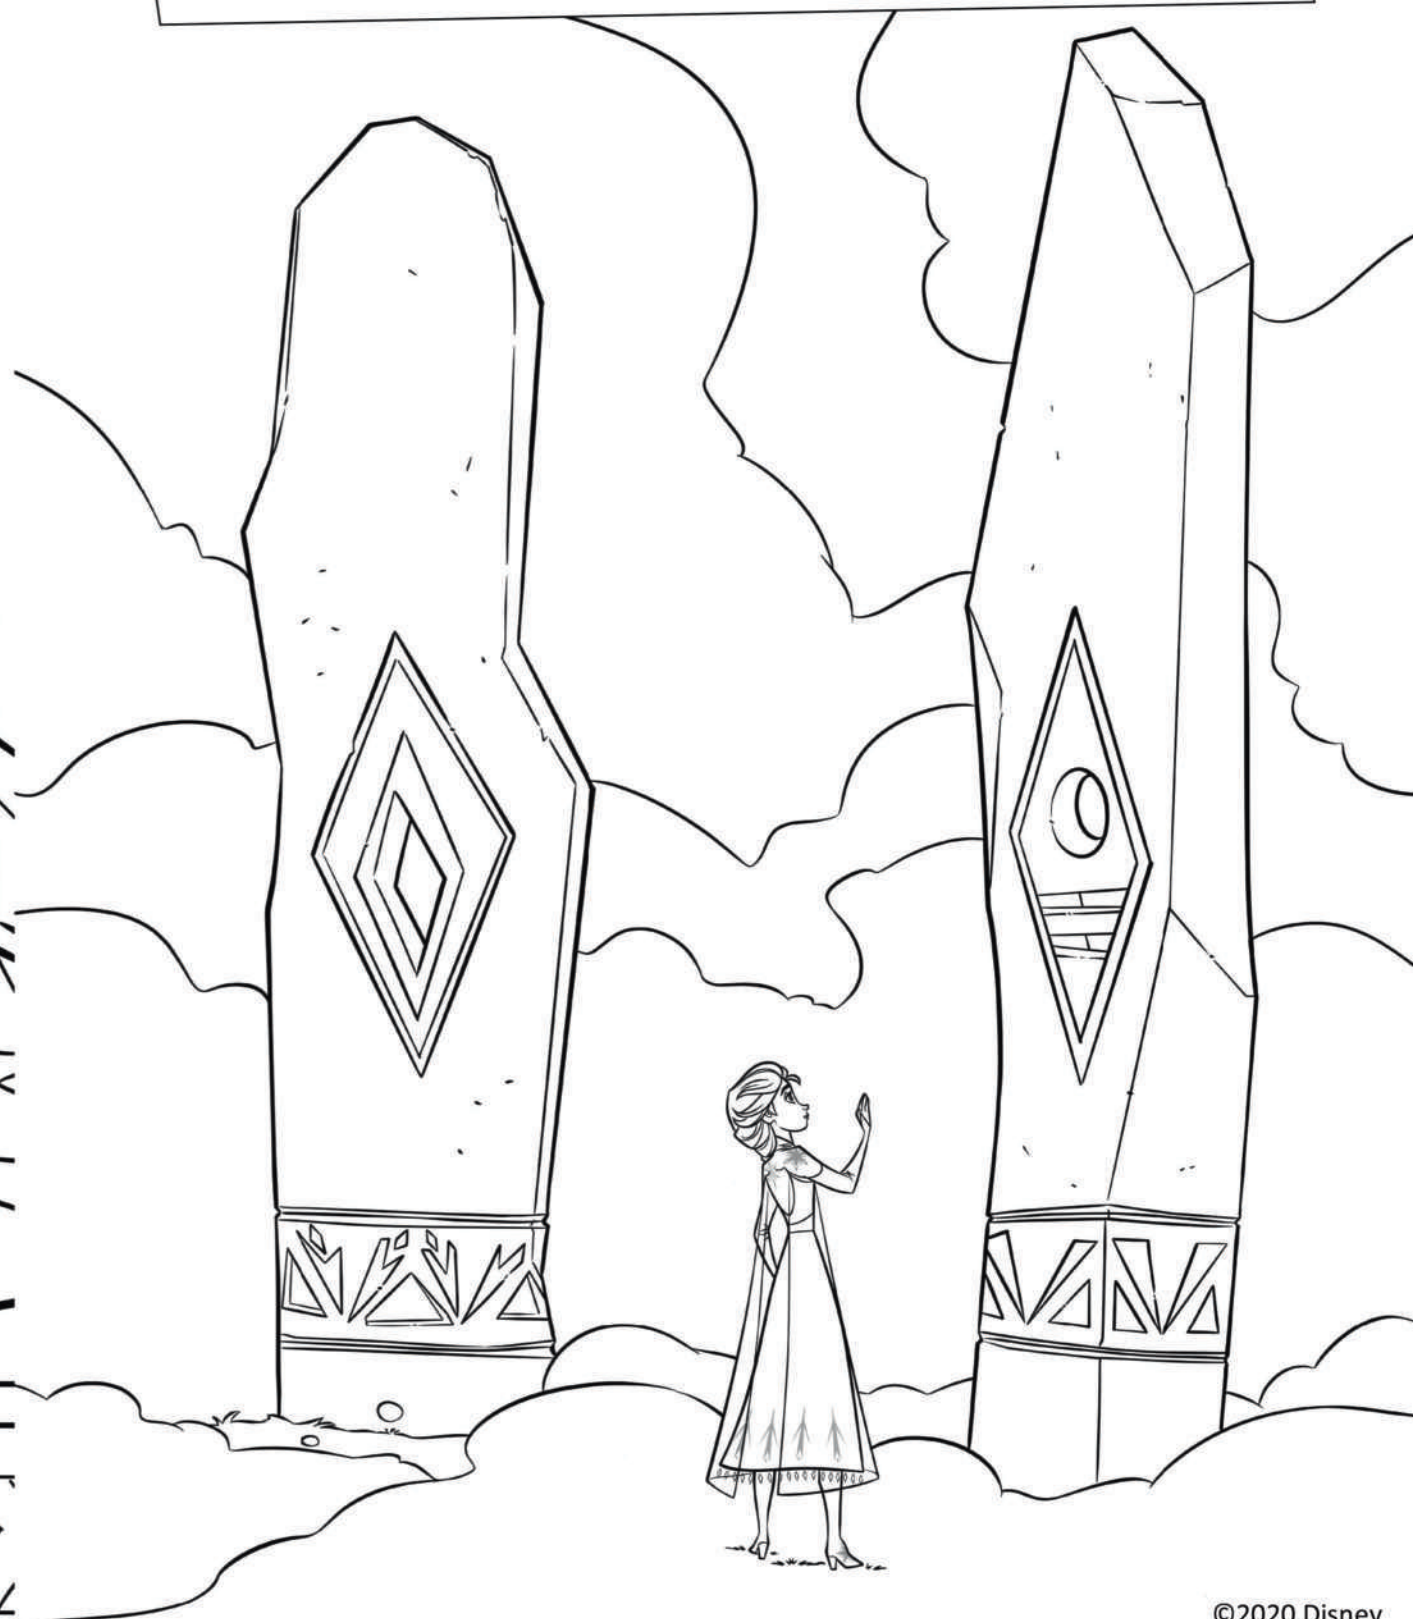

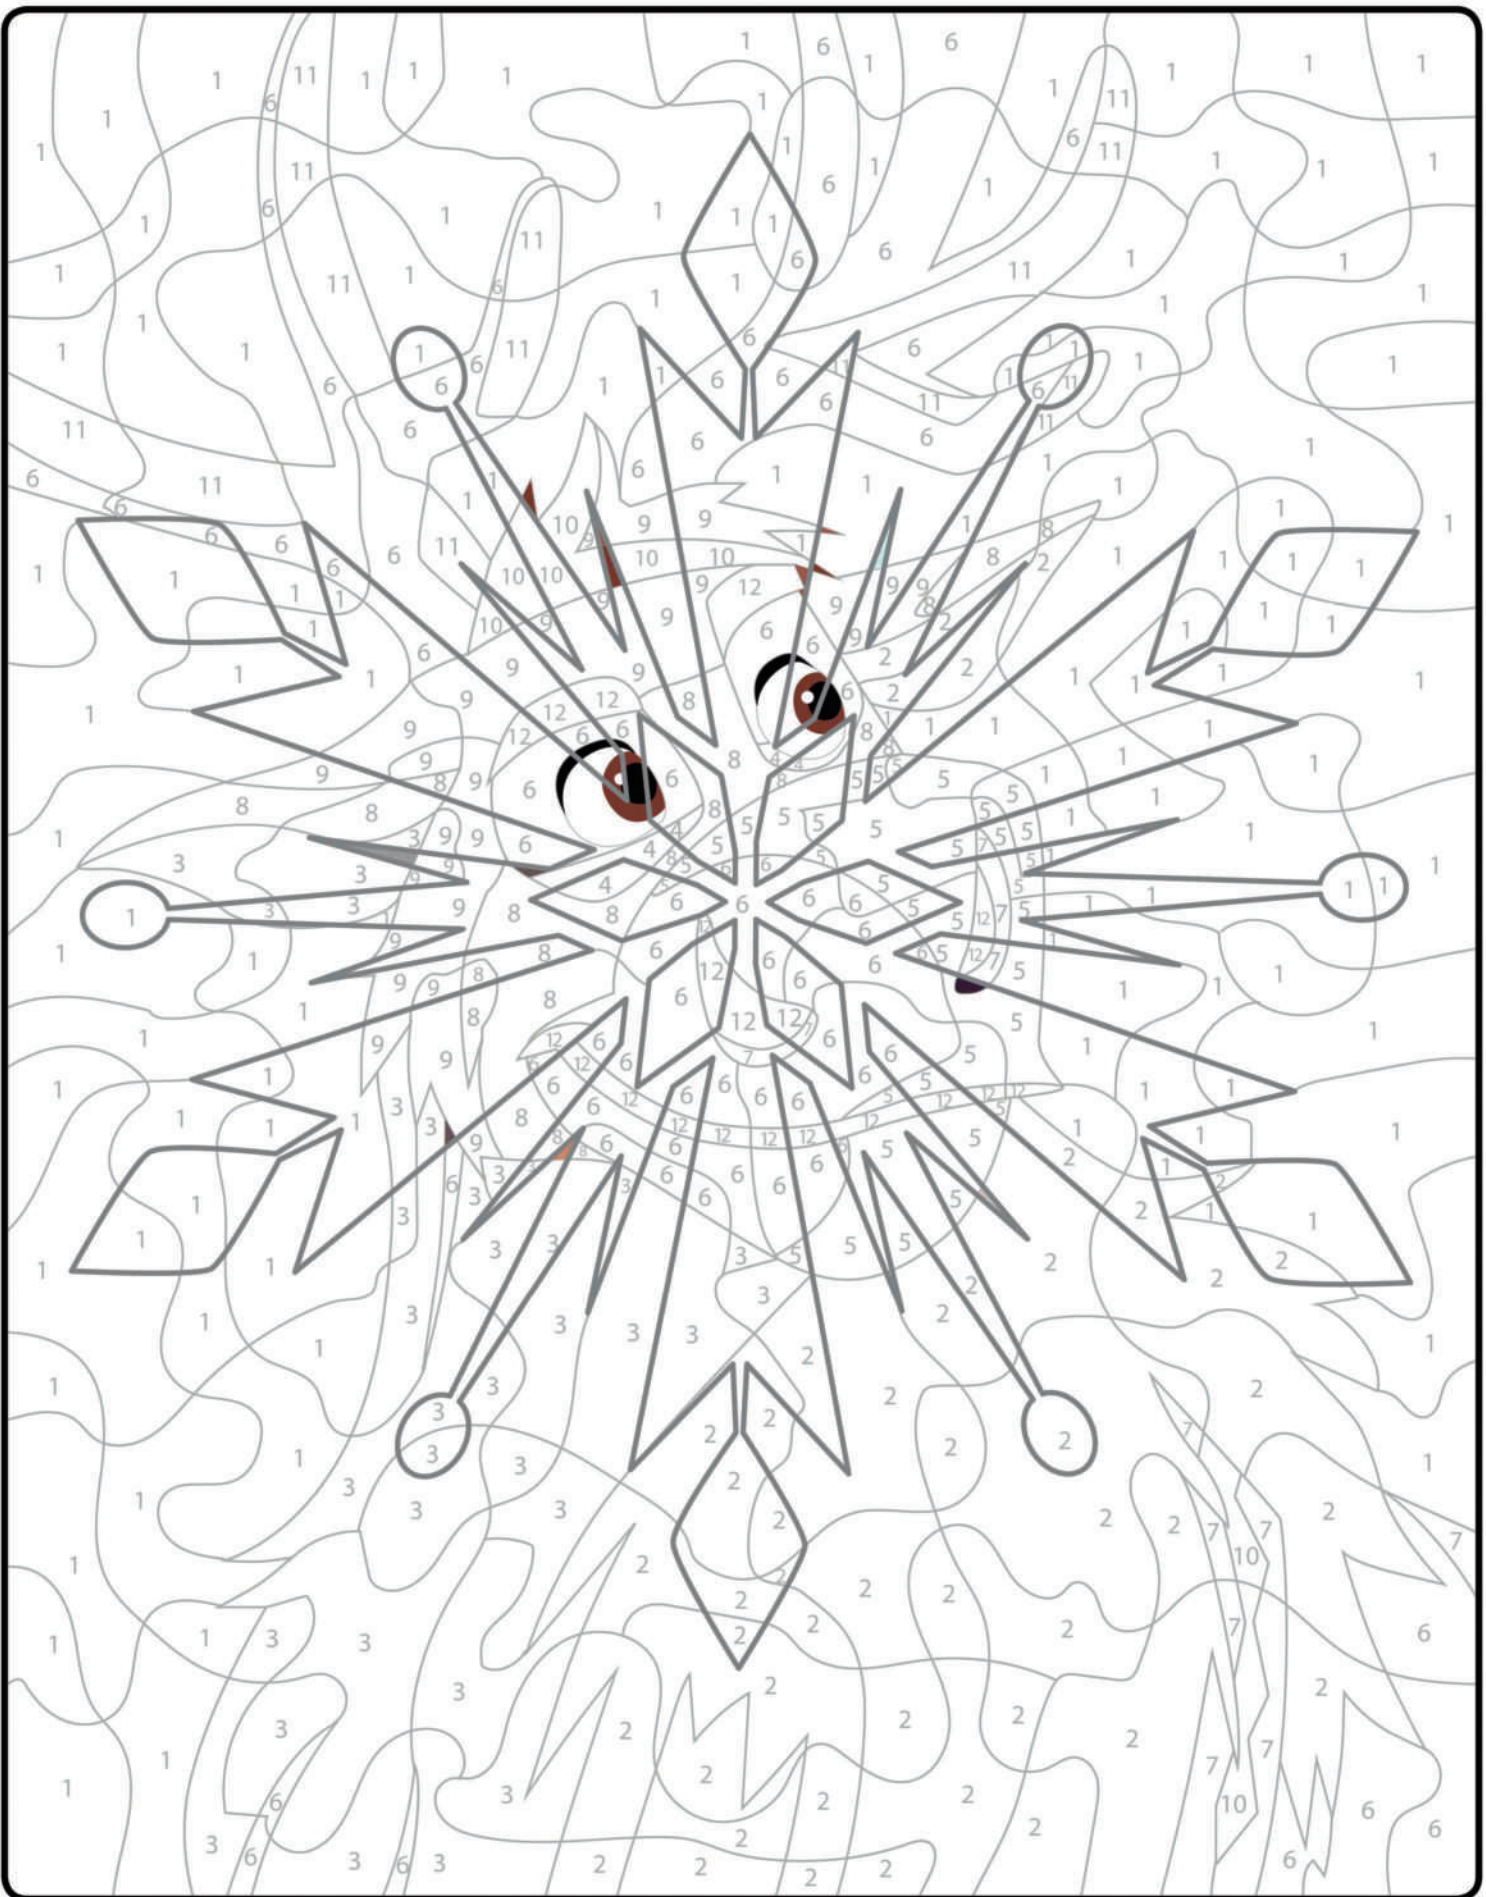

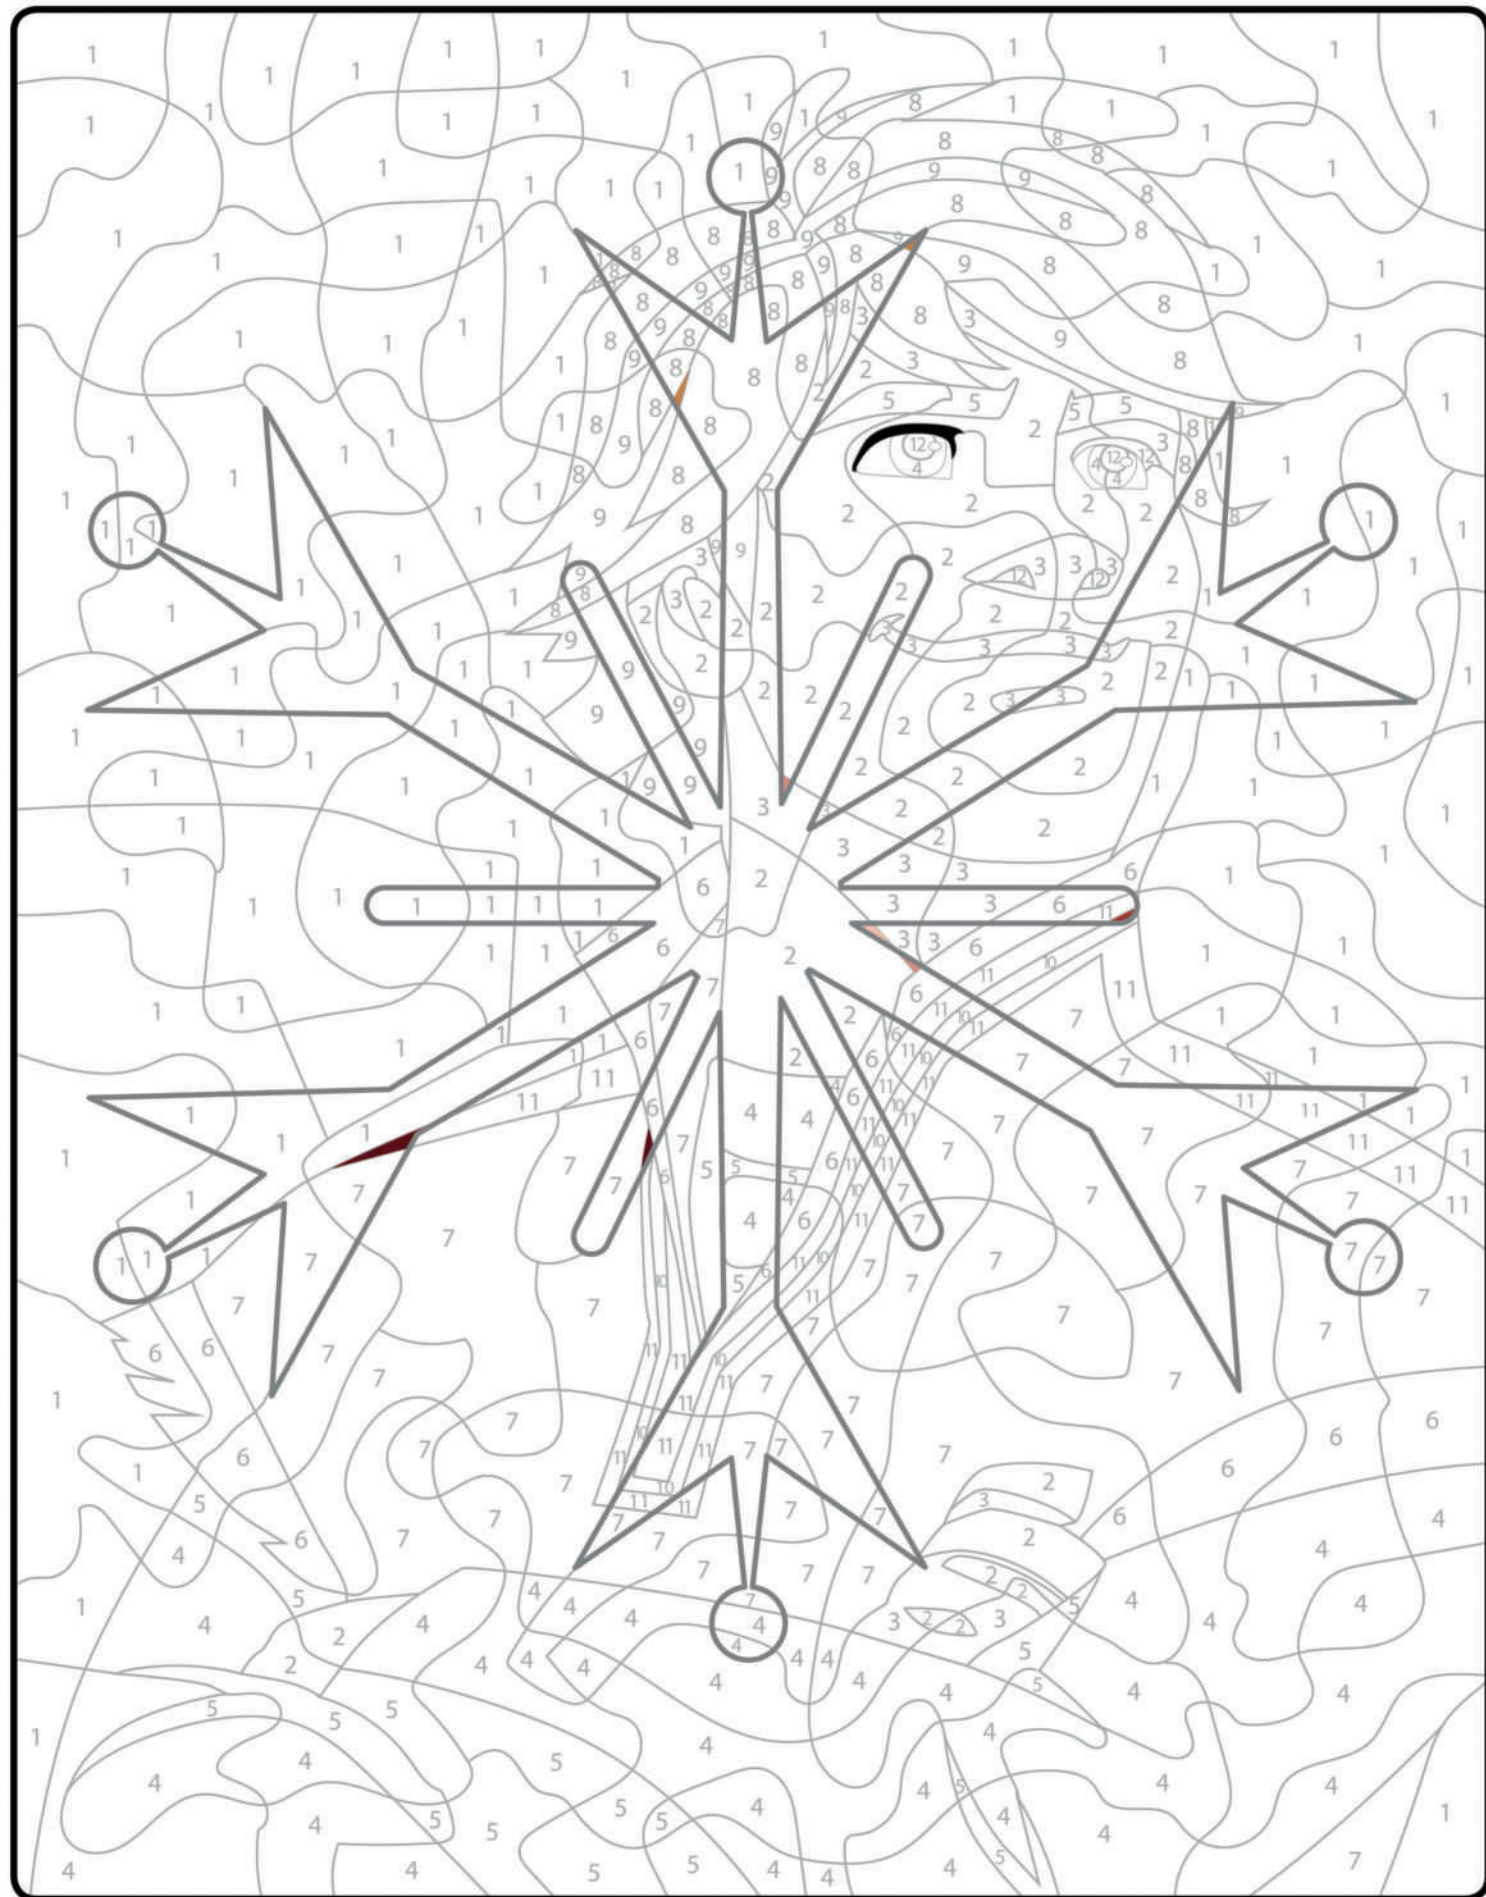

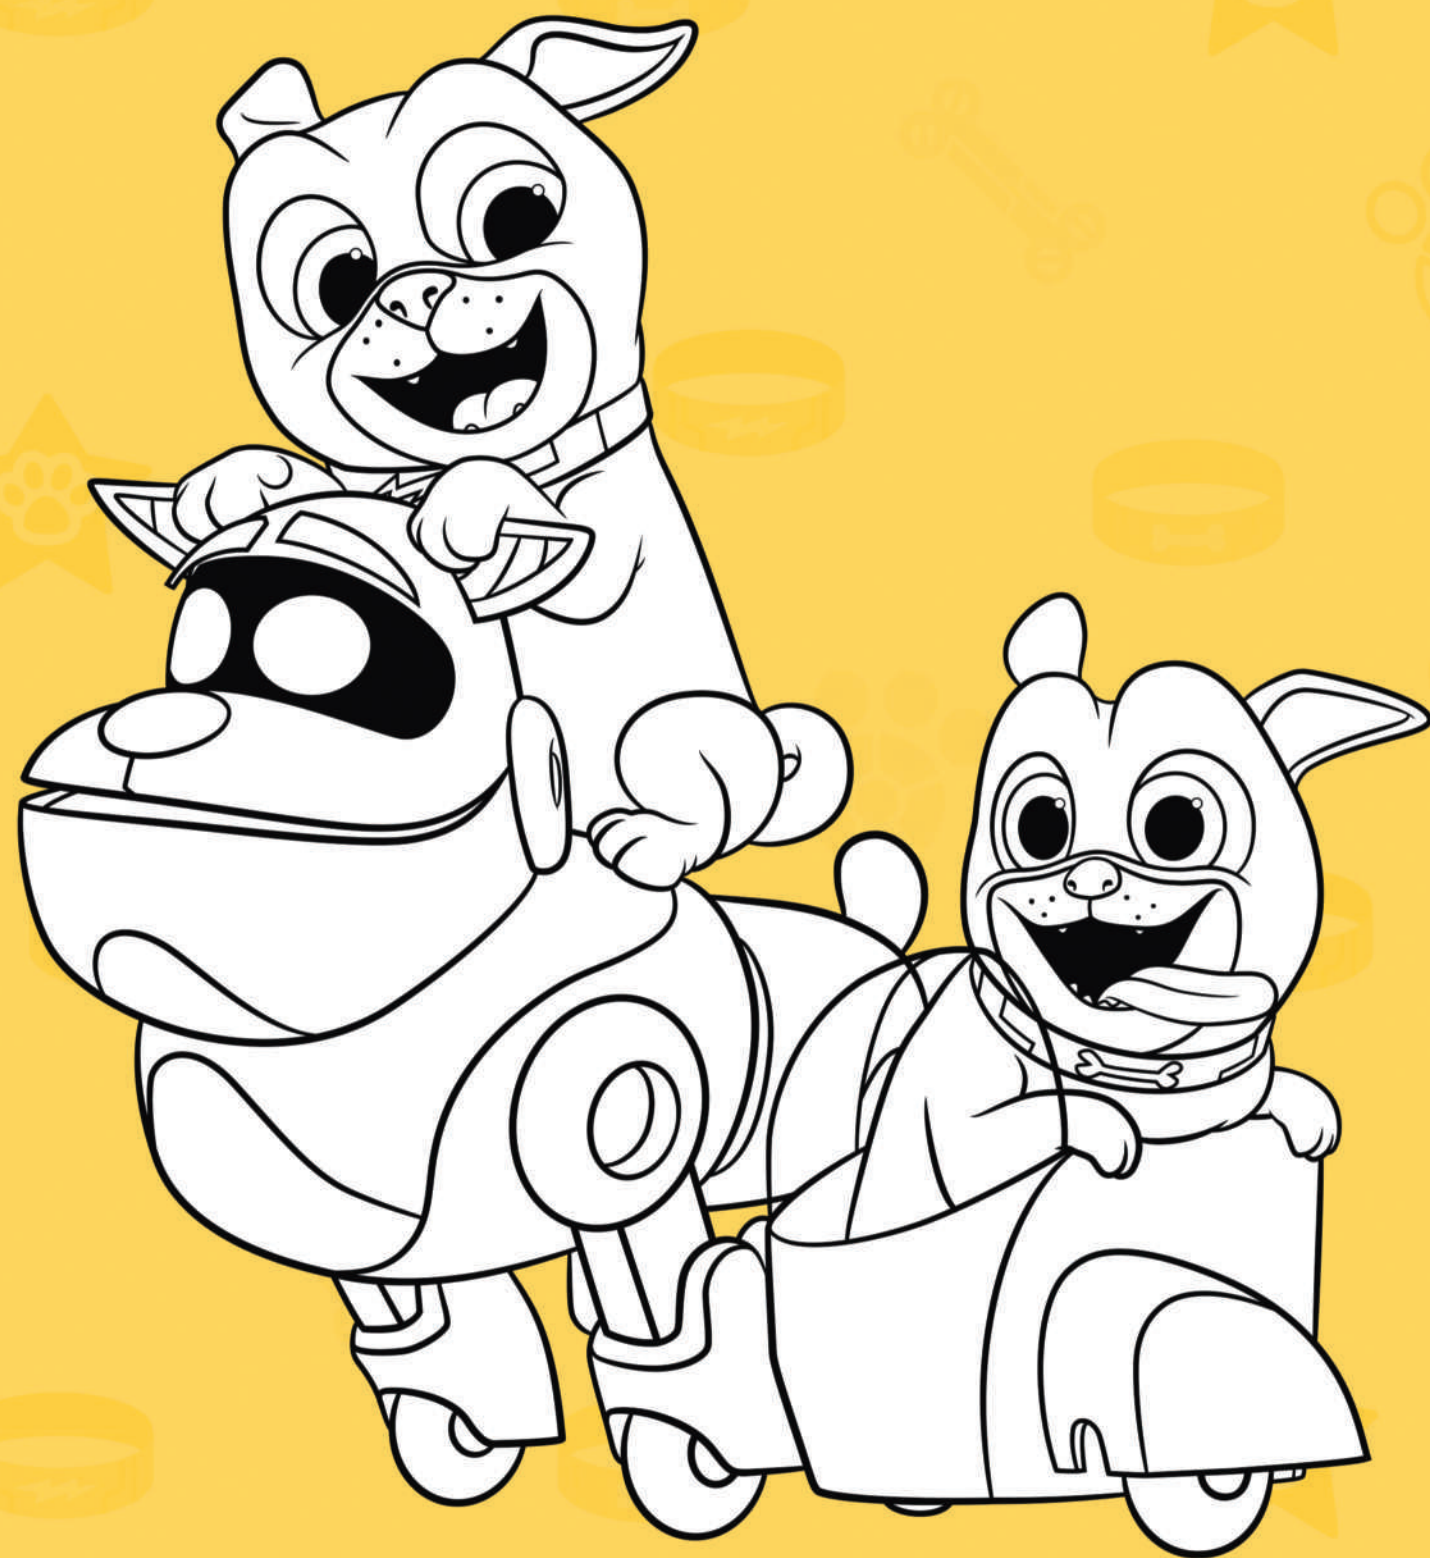

Durant le trajet, Elsa semble inquiète. La tâche qui l'attend est difficile... Heureusement, Olaf lui change les idées :
— Sais-tu que l'eau a de la mémoire ?

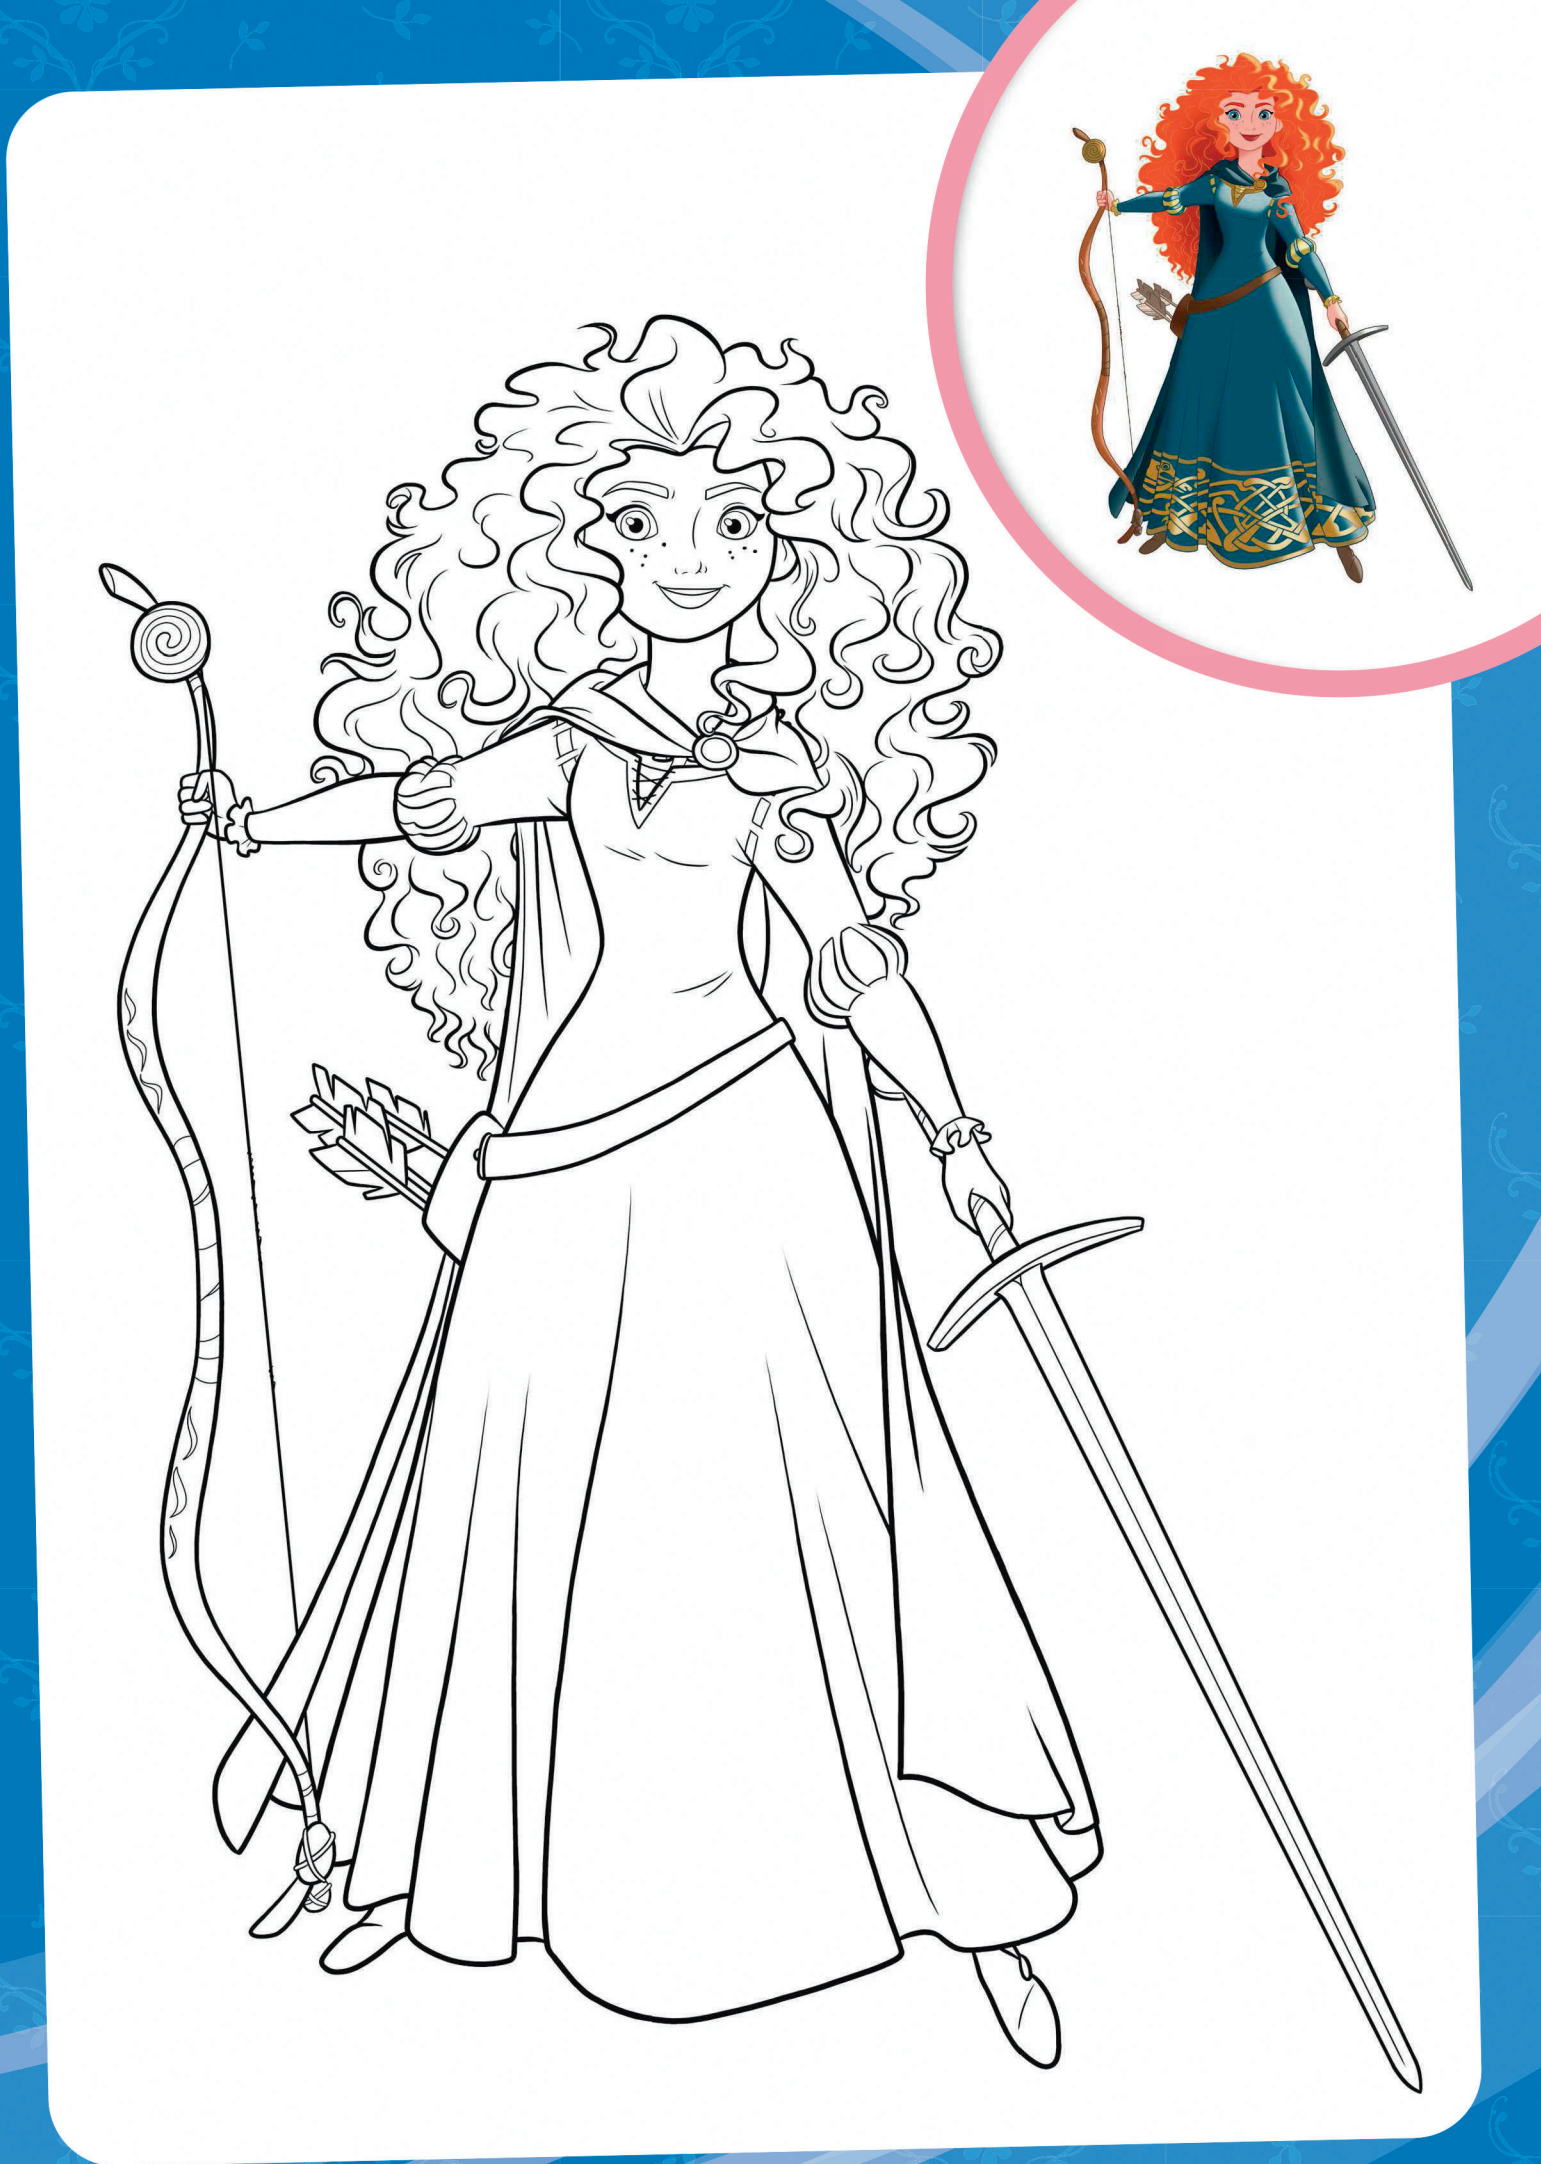

Au bout d'un moment, un mur de brume scintillante se dresse devant eux. Ils ont atteint la Forêt Enchantée ! Elsa saisit la main de sa sœur. Doucement, le brouillard ouvre un passage et dévoile...
